## **Greetings & Welcome to Our 33rd Annual Hall of Fame Inductions**

On behalf of our Board of Directors, I would like to welcome you to our 33rd Annual Hall of Fame Inductions. We are extremely honored to acknowledge this year's inductees and allow them to share with you their journey and contributions to this level of the sport. We are even more excited about the opportunity to again have as our venue this year, the Semi-Pro Football Hall of Fame. We encourage you to take in all of the museum's history and enjoy the experiences that it offers.

This year as part of a new project, we have contracted with Smyrna Media Group to provide the American Football Association Semi-Pro Football Hall of Fame with a Yearbook that will elevate public awareness, further enhance our branding, and be a collectible product for readers. This yearbook will feature information on the current class of inductees and biographical information of past inductees. This publication will be distributed through established channels which include: Federal/State leadership (elected/ appointed); USO lounges; executive travel lounges, etc. An electronic/online version of this publication will be created and will be available for purchase through such outlets as Amazon, Barnes & Noble, iTunes, etc.

The annual task of reviewing hundreds of semi-pro candidates for recognition is very challenging and extremely gratifying not only to review shared experiences, bios but to hear candidate's reactions when they get the "congratulatory selection" phone call. The connections we continue to make and the growth of our semi-pro football family, as a result, is amazing.

My goal of promoting our brand and realizing the vision/pioneering of our founder, Ron Real becomes more evident each time I reach out to folks around the nation; he touched so many lives and just never realized it. This is all very humbling but is also the most satisfying part of my job as the organization's president, to see Ron's dreams realized.

I would like to acknowledge our Board of Directors for their guidance and teamwork during our planning process over the past few months. Intense planning is requisite to ensure the best performance and ultimately win when it comes to football. We sincerely hope that you have the most positive of experiences at our event. To that end, feel free to reach out to our staff during this event with any +/- concerns.

The American Football Association remains committed to our mission to keep alive the memories of those who have played, coached, officiated and administrated on the team or league level and otherwise contributed to the advancement and awareness of semi-pro/minor league football across the country. Our objective is to ensure that our semi-pro player's unselfish contributions to our level of the game are remembered forever by their fans, family, former teammates and those who follow their football leadership in the future.

Note: Feel free to notify friends and family during this event regarding our live webcast. This can be viewed anywhere on the planet by simply clicking the live link on our website. Last year we got a call from an inductee family member viewing the webcast from Okinawa!

*If you can't move a mountain . . . then move a grain of sand*

*If you can't reach a million people . . . then touch a single hand*

*If you can't impress them all . . . then impress only those who answer your call Semi-Pro and Proud® is what we are . . . that's what makes the AFA the best by far*

\* *Gone – But Not Forgotten!*

# Thank you for helping celebrate the American Football Association's 33<sup>rd</sup> Annual Semi-Pro Football Hall of Fame Induction Dinner

*"Semi-Pro and Proud"*

*Where Semi-Pro Football Legends Live Forever!*

The AFA is proud of the fact that we are on our 33<sup>rd</sup> year of operation as the national association for Semi-Pro football teams and leagues in the United States. We are a 501(c) tax exempt, non-profit corporation dedicated to the advancement of the Semi-Pro (adult amateur), non-professional level of America's greatest sport . . . FOOTBALL!

Our staff is made up completely of volunteers anxious to keep the memories of those who have played, coached, officiated, administrated on the team or league level and, or otherwise contributed to the advancement and awareness of semi-pro football across the country—for more than a century.

Former AFA President and Founder Ron Real with the Arkush Memorial Cup

Over the past 33 years, the American Football Association has inducted 691 individuals that spent most of their football careers on the semi-pro level of the sport all for the love of the game. Their unselfish contributions to our level of the game will be remembered forever by their fans, family, former teammates, and those who follow their football leadership in the future.

*Thank you for attending and helping us honor the "Class of 2013"*
